## FOOTBALL

Bill Johnson (Asst. Coach), Toby O'Brian (Asst. Coach), **Captains** Bernard MacInnis, Graig Burns, Mike Baronas, Mike Esposito (**Head Coach**).

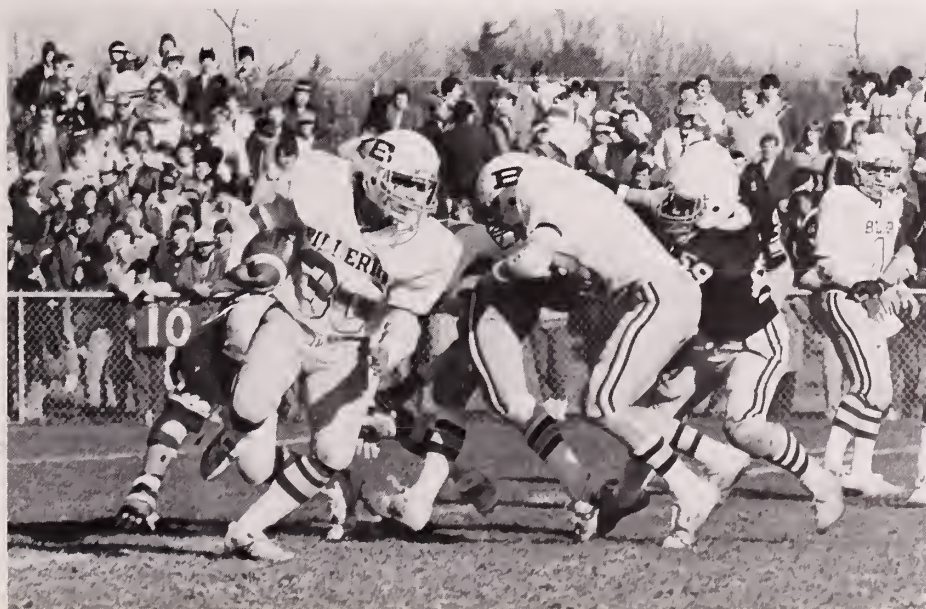

This season the football team has given the school something to be proud of. After a loss to Methuen, they went on to win two straight games against Andover and Lawrence Central.

Next was the Dracut game. No one had scored on Dracut up to this point in the season. We ran up 26 points on them that day, but unfortunately that wasn't quite enough, but our confidence was building.

Then came Wilmington, and after trailing 15-0, we came back with a great last minute rally to tie the game. After a tough loss to Lowell, we've come back to win our last three games over Haverhill, Tewksbury, and Larrence.

The Thanksgiving Day game concluded the season with an unfortunate loss to Chelmsford by a score of 24 to 7. The team showed much improvement against our local rivals this year, and hopes to keep up their team in years to come.

## FALL CHEERING

This season, the 1984 Varsity football cheerleaders have good reason to be very proud. The girls have worked extremely hard since last June to be the best they can be. After winning many first place awards at summer cheering camp, the cheerleaders continued their excellent performance as the season progressed.

Senior Captain Patty Gillis provided superior leadership for the team. Without her hard work, and the efforts of all the girls, the season could not possibly have been so successful. Seniors Lynda Grasso, Kim Jackson, Toni Mattucci, Wendy McDonald, Charlene Oliveri, and Cathy Rogers formed the base of the team.

The cheerleaders devoted much time and effort to coordinating this season's fall sports rally.

## GIRLS SOCCER

Coach Severo, **Captains** Andrea Frisoli, Gina Gualtieri, Jean Kinsella, Coach Powderly.

The girls Varsity soccer team had their most successful season ever with a 10-6-2 record. They achieved second place in their division, and for the first time got a bid into the state soccer tournament.

Sophomore goalie Chris Hoar-the female version of the no-entry sentry-chalked up seven shut-outs. The girls won four of their last five games which qualified them for the tournament. Senior Gina Gualtieri, and leading scorer Jean Kinsella both made first team All-Stars Division I Central. The Indians also placed three players on the Division I Central-Mass Second team all-stars: Andrea Frisoli, Sue Poulin, and Chris Hoar.

The girls' finest moment came when facing #1 seeded and undefeated Newton North in the state tournament. Newton North narrowly defeated Billerica 1-0 on a penalty kick. Billerica girls soccer has arrived! The girls have come a long way and the team is looking forward to another successful season.

## BOYS SOCCER

Coach Altieri, **Captains** Bill Altieri, Brian Jackson, Pat Walker, Dan Kilday, Coach Roach.

Behind the leadership of Senior Brian Jackson and juniors Billy Altieri, Dan Kilday, and Pat Walker, the 1984 Indians got off to a great start with back to back wins over Lawrence and Haverhill. A sky-high Lowell team upset Billerica 1-0 on a late goal. Chelmsford duplicated Lowell's effort by handing Billerica a 2-1 loss on another late goal.

With their backs to the wall, the Indians rebounded with 11 wins and 2 ties. Blowouts over Greater Lawrence, Lawrence, Tewksbury, Wilmington, Methuen, and Haverhill accounted for seven of the wins. Some big victories were a come-from-behind win over Andover, shutouts over Lowell and Chelmsford, and a win over Tewksbury. Ties were given away to both Methuen and Wilmington.

These ties put Billerica in a must win situation vs Andover in the showdown for the MVC crown. Unfortunately, Andover had luck on its side and managed a 3-1 win. The loss put Billerica in second place with a 13-3-2 record.

In the Eastern Mass playoffs, Billerica ripped Lynn English 1-0 in overtime, but were unlucky once again against Lexington. Billerica made one mistake in the second half and Lexington scored. Despite an overwhelming territorial advantage, Billerica could not score and Lexington held on for a 1-0 victory.

The following soccer players were named to the first team MVC All-Conference team: Billy Altieri, Tom Foley, and Joe Gualtieri. Named to the second team MVC all-stars was Pat Walker.

**Front Row:** Pat Walker, Billy Altieri, Dan Kilday, Brian Jackson. **Middle Row:** Frank Mirasolo, Bob Dampolo, Kevin Rogers, Steve Dornan, Mark Quattrocchi, Ray DeRosa, Neil Gorman, Bob Russell. **Back Row:** Coach Altieri, Amit Snir, David Prudente, Sean Gearin, Tom Foley, Chris Hebert, Rob Shannon, Al Poulin, Joe Gaultieri, Coach Roach.

With all of the top runners returning, the team looks forward to a strong year in 1985.

## BOYS CROSS COUNTRY

Jack Loureiro, Dan Dolan, Mark Rivinius, Jim Lawless, Frank Fama, and Dan Brown rounded out the varsity team. Seniors Frank Fama and Todd Davies will be missed, but this year's freshman team had a very good season and, along with the returning varsity members, should provide a winning combination for next year.

## GIRLS VOLLEYBALL

The girls Varsity volleyball team completed a successful season by winning the Merrimack Valley Conference Championship. The 1984 team had an outstanding record of 15 wins and only 2 losses.

After winning the league title, the team went on to do a great job in the state tournament. The girls made it all the way to the North Section semi-finals before being defeated by Stoneham, the North Section champions.

The team was led by three seniors — Co-captains Nicole Brien, Nancy Mucci, and Melissa Renna. The following players were selected to the Merrimack Valley Conference All-Star team: Nicole Brien, Nancy Mucci, Sue Mullaney, and Kathy Woods. Nicole Brien was selected as player of the year.

Next year promises to be another outstanding season!

## GIRLS SWIMMING

**Captains** Kim Davis, Andrea Lister, Denise Beck, Coach Craig.

The enthusiastic, but inexperienced girls swimming team showed great determination as they faced several strong veteran teams in the conference this year. The squad, comprised of mostly freshman and sophomores, worked very hard during the season; which showed by the improvement in their performance times at the conclusion of the season.

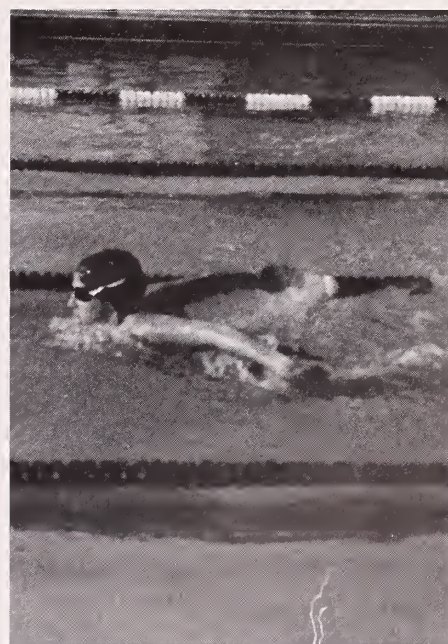

The team led by Captains Denise Beck, Kim Davis, and Andrea Lister, and new coach Christine Graig, the team is looking forward to a very strong season next year. Outstanding swimmers for the team this year were Denise Back and Debbie Carroll. However, all of the members of the team deserve much credit for their improvement throughout the season.

## HOCKEY

**Captain Matt Hernon, Coach Jenkins, Captain Dave Melvin**

The 1984-85 varsity ice hockey team enjoyed a winning season with a 12-4-4 record. The team, led by co-captains Dave Melvin and Matt Hernon, and senior Jack Cunningham; compiled an impressive record compared to what was expected of this years young team.

The underclassmen who also played an important role were Mike Moroconi, Joe Gualtieri, Ed Burke, Darel Crandall, Mike Kelly, Steve Roberts, Fran DeCristiforo, Jeff Beckwith, Bob Stickney, Kirk Frevold, Bill Paskewicz, Joe Burke, Tom Ford, Bill Riley, Dave Dinanno, Bob MacLeod, John Rosa; and also injured players Dan Kilday and Paul Frazier.

The team would like to thank first year coaches Mark Jenkins and Jeff Smith for their guidance, support, and patience throughout the year.

## GIRLS BASKETBALL

The 1984-85 season was the best the Billerica girls basketball team has had in over a decade. This was due to the tremendous coaching from Mr. Sidorovich. The season was highlighted with double wins over Andover, Dracut, and school rival-Chelmsford. The girls suffered a one point loss to Lowell early in the season, but came back with a crucial win over Lowell and later Haverhill, to qualify for the state tournament.

The team, also known as "The Munchkins", made up for their lack of height with great hustle on defense and an immense desire to win. Nicole Brien and Jean Kinsella, both outstanding rebounders, could also drive inside and were very successful from the foul line. Sue Mullaney's precise shooting ability and Carolyn Covino's all-around talents, sparked the offense. Kathy Woods, and her lightning speed and incredible leaping ability, along with Stephanie Severo's fast breaks and agility, constantly wore down the opposing teams.

Strong support from the bench were Dana Sample and Stacy Sherwood with good rebounding skills and Linda Romkey with her electric passing. These three had the hardest task of all by staying with the team spiritually, when playing time was scarce. Michelle Blanco, senior co-captain, was also a leader on the court, as her excellent ball-handling skills made her the playmaker. Her intensity, hustle, and desire were contagious throughout the team. Wendy Bartel, senior co-captain, started the season strong with good passing and hustle all over the court, but was forced to cheer from the sidelines by a knee injury midseason.

**Captain Michelle Blanco, Coach Sidorovich, and Captain Wendy Bartel.**

**Seniors Michelle Blanco, Wendy Bartel, Carolyn Covino, Jean Kinsella, and Nicole Brien.**

**Front Row:** Dana Sample, Kathy Woods, Michelle Blanco, Wendy Bartel, Stephanie Severo, Caroline Covino. **Back Row:** Jean Kinsella, Stacy Sherwood, Nicole Brien, Sue Mulaney, Linda Rompkey, and **Coach** Sidorovich.

The juniors also helped in the 15-6 record were Tom Foley, John Saia, Sharad Hulsoor, Robert DiPrizio, Andrew Park, and Manute Bol. The team would like to thank head coach Edward James and assistant coaches Kevin McDermott and Richard Donnelly for their patience throughout these past four years. A special thanks goes to William King for his hard work as defensive coordinator.

Finally, a special thanks to the few loyal fans we've had throughout the high school.

Outstanding performances were turned in by Sharron Kelly, who set a league record in the 600 yard dash. Jennifer Burt also had a very successful season, remaining undefeated in the hurdles.

Also, the 1 mile-relay team; consisting of Brenda Higgins, Sarah Doherty, Lynne Talbot, and Sharron Kelly, remained undefeated in the Merrimack Valley Conference.

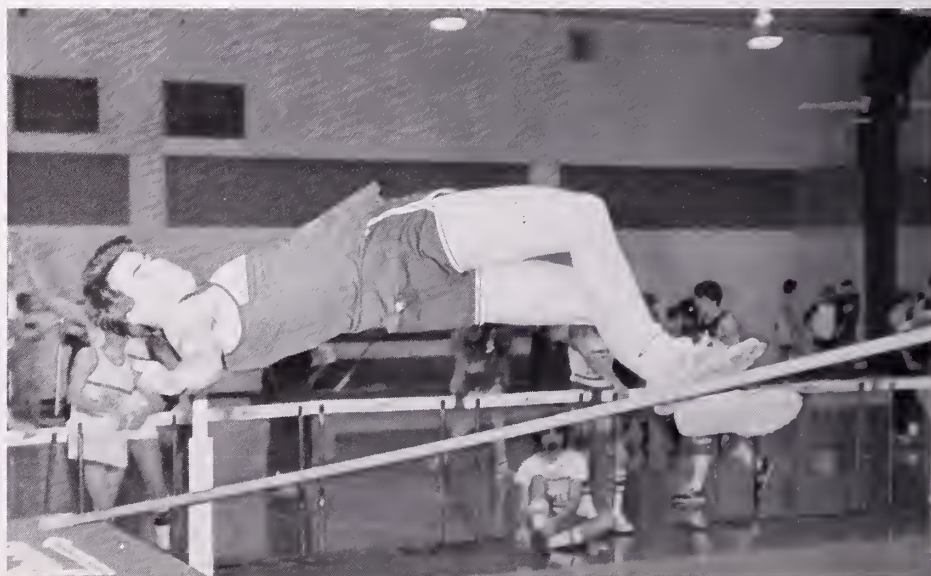

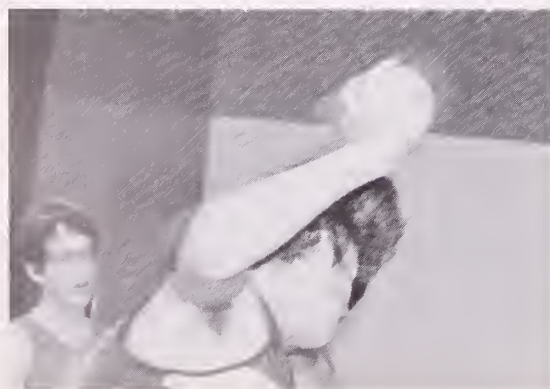

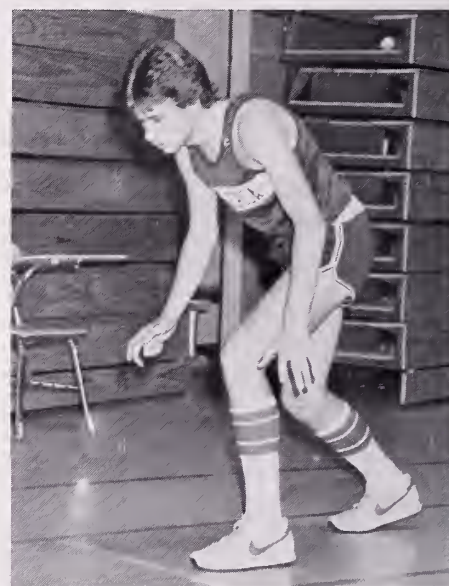

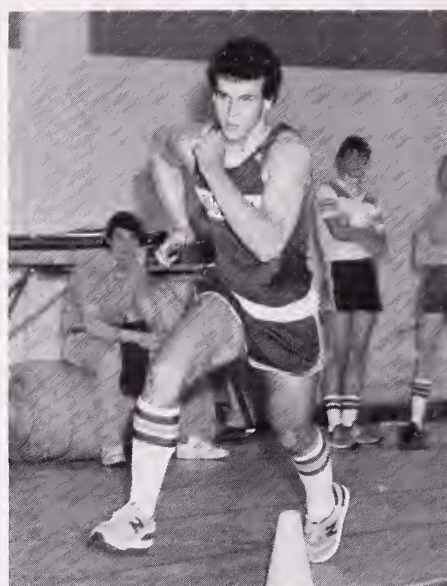

## BOYS TRACK

**Coach Bradford, Captains Dave Burns, Gus Silva, and Kevin Crump.**

The boys indoor track team, led by a large and talented group of seniors, had a very successful season. Highlighting their 7 and 1 dual meet record, which placed them second in the MVC to eventual state champions Chelmsford, were exciting wins over Andover, Lowell, and Central Catholic. These latter two victories featured fine performances all the way, setting the stage for winner-take-all relays. A second place finish in the thirty-five school field of the Northern Area Meet and a fine showing in the State Meet were other team highlights.

Outstanding individual performances were also common place this year. School records were set by Brian Cooley in the 50, Gus Silva in the hurdles, Dave Burns in the 300, and the team of Cooley, Silva, Burns, and Jay Sargent in the 4x440 and 4x200 relays. The relay team capped their great season with a fourth place finish in the twelve state Eastern States Championship in Princeton, New Jersey.

## GIRLS GYMNASTICS

This year's girls gymnastic team was headed by Captain Michelle Cristello. The team was made up of 15 competitors-10 of whom were new to the varsity level.

Girls gymnastics is comprised of 4 events-uneven bars, balance beam, vaulting, and floor exercise. Each event has 6 entries and two team members or all-arounders who must compete in all four events.

Leading the team in points this year was all-around competitor Captain Michelle Cristello, scoring approximately 25 points per meet. This year due to extensive injuries, 7 of the girls had the opportunity to be all-around competitors.

Top scorers on uneven bars were Michelle Cristello and Shannon Malnicof. On balance beam were Michelle Cristello and Laurie Souza. High scorers on the vault were Michelle Cristello and Donna Tonini. Our meet finishes with the floor exercise, this a combination of acrobatics and dance patterns set to music. Top performers in this event were Michelle Cristello and Wendy Musgrave.

The team does not have any graduating seniors this year, so we are all looking forward to being back together next year.

To the Members of the Class of 1985:

Graduation is a time for gifts. You have received a gift. It's a gift that will not wear out, break, or rust. It's a gift that will increase in value every day. Once the gift is opened, it will never be thrown to the back of the closet and forgotten.

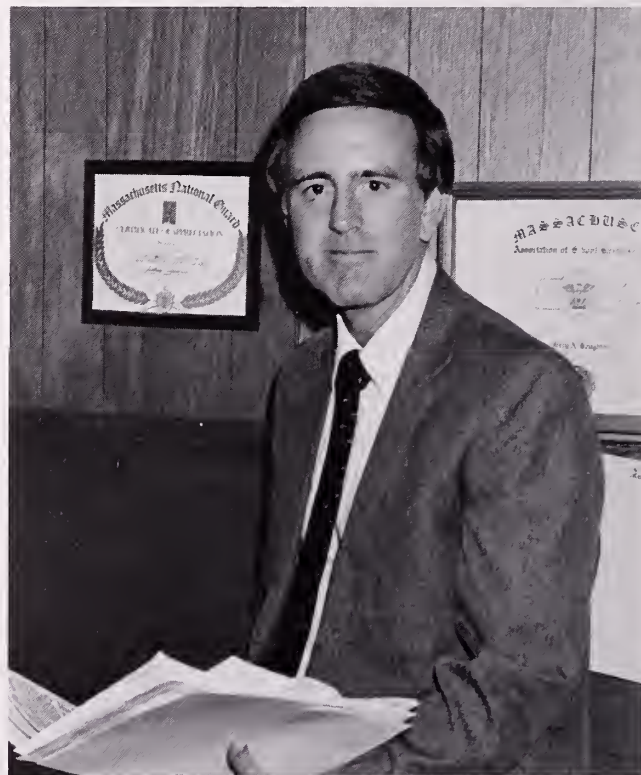

The gift is, of course, your education. Use it wisely in whatever your chosen field of endeavor. I join with the Billerica School Committee in congratulating each and every one of the Billerica Memorial High School graduates. May your future be filled with happiness and success.

Sincerely,

Thomas D. Sharkey, Ed. D., Principal

Joseph Sarno, Vice Principal

Dear Graduates of 1985:

For many of us at B.M.H.S., your graduation is an occasion that is both exciting and sad. It is sad because you, as a Class, have made outstanding contributions to our high school. Your enthusiasm and your service to the school and to the Billerica Community are models for other classes to copy in the years ahead.

Yet your graduation is also exciting. It is exciting for you because you are moving into a new life in which adults only are permitted. It is exciting for me because you are the first graduating class in Billerica that I have known for one full year. It is exciting for the High School because your Class has served as the lead class in its first year of an attendance policy that has significantly enhanced the academic climate of our school.

One thing I ask as you leave B.M.H.S. Maintain that sense of concern for others that you have displayed as a Class over the past four years. It is so easy to slip into a way of seeing life and events that takes only "me" into account. But you have experienced the fun and satisfaction that come when people see themselves as an important part of a larger group.

Congratulations on your achievements. Please know that you are always welcome here at B.M.H.S.

Best wishes!

*Thomas D. Sharkey*

Congratulations!

You have fulfilled one of the most important and rewarding commitments in your life. Now it is time to examine and consider your goals and aspirations, which will ultimately bring about success and happiness for your future years.

"You are the person that has to decide whether you'll do it or toss it aside. You are the person who makes up your mind whether you'll lead or will linger behind whether you'll try for the goal that's afar or just be contented to stay where you are. Take it or leave it, here's something to do! just think it over - it's all up to you".

Edgar Best

## THAT'S A WRAP!

All the years we've been in school  
And all the times we've broken a rule.  
All these years will soon be gone,  
And all our lives will still go on.  
So don't forget these days gone by,  
And most of all **BILLERICA HIGH**.  
Don't be crazy, don't drink and drive,  
Be remembered as the **ALIVE** Class of "85".
